

Draw a Cardinal

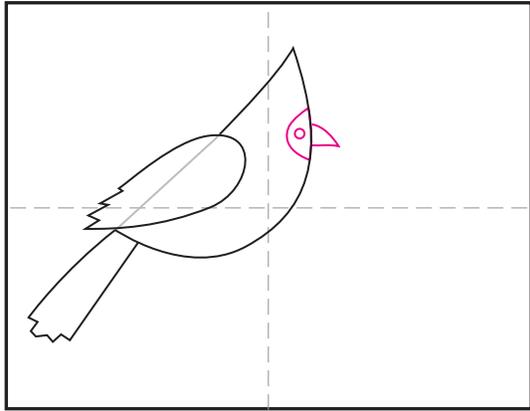

1. Draw a half circle at an angle.

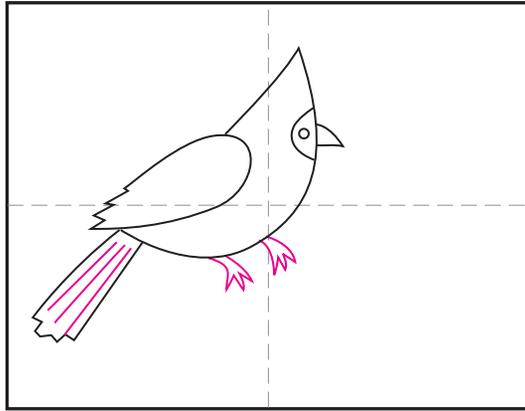

2. Add a tail.

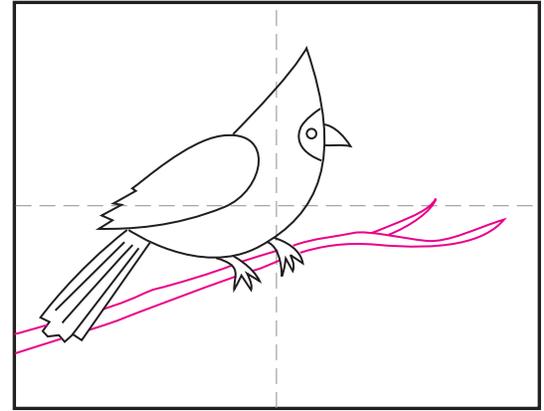

3. Draw a wing on top.

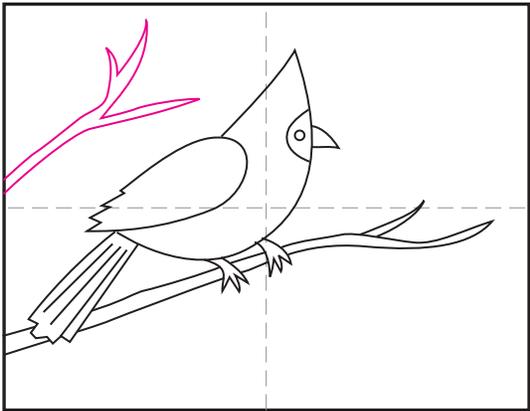

4. Erase inside the wing, and add a face.

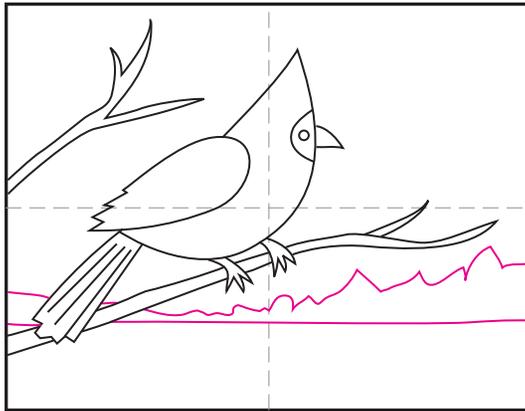

5. Draw tail lines and add two feet.

6. Draw a branch underneath the feet.

7. Add another branch above.

8. Draw a tree line in the background.

9. Trace with a marker and color.

Cardinal
