

Draw a Snowy City

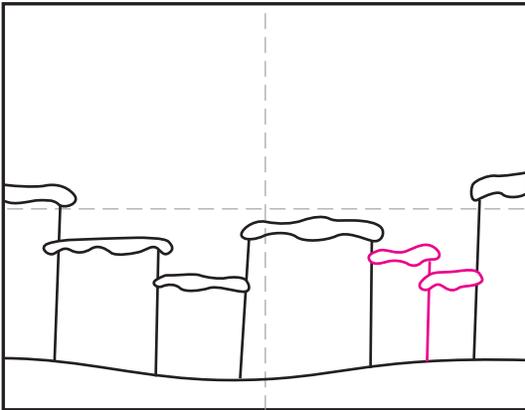

1. Scan to see a matching YouTube video.

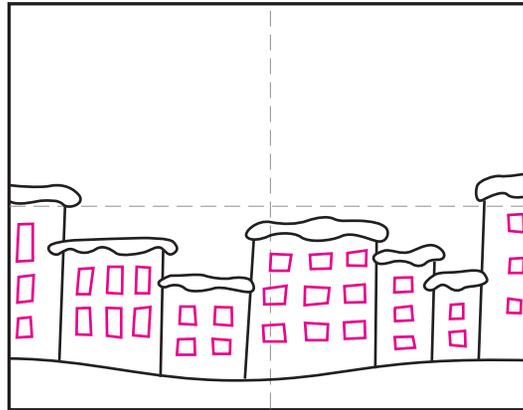

2. Draw a ground line and 3 larger buildings.

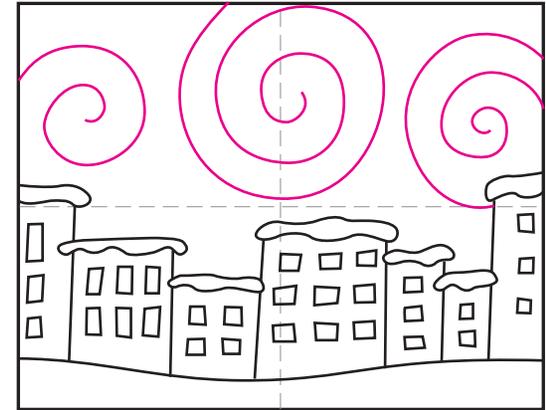

3. Add smaller buildings on the left.

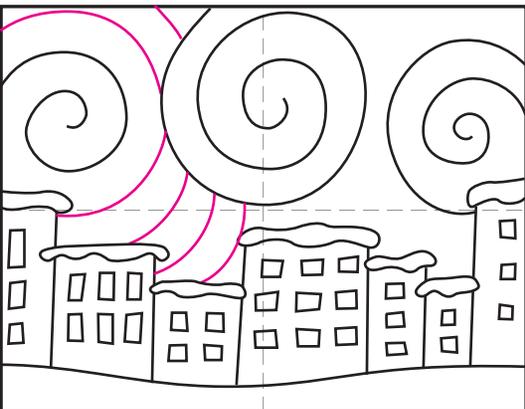

4. Add smaller and skinny buildings on the right.

5. Fill the buildings with windows.

6. Start the large swirls in the sky.

7. Fill in the background swirls on the left.

8. Finish with more background swirls.

9. Trace with a marker. Paint with watercolors. Add another line of blue paint over the swirls.

Snowy City
