

# How to Draw Sacagawea

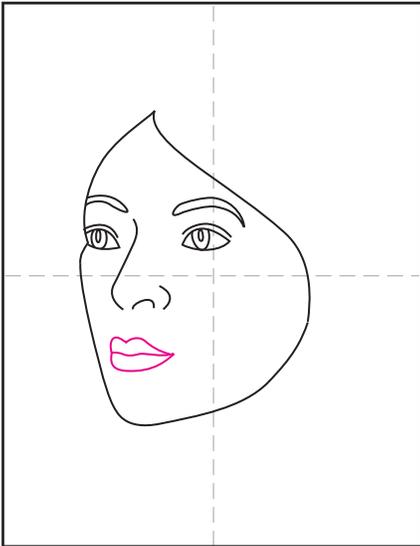

1. Start the side view of the face with this shape.

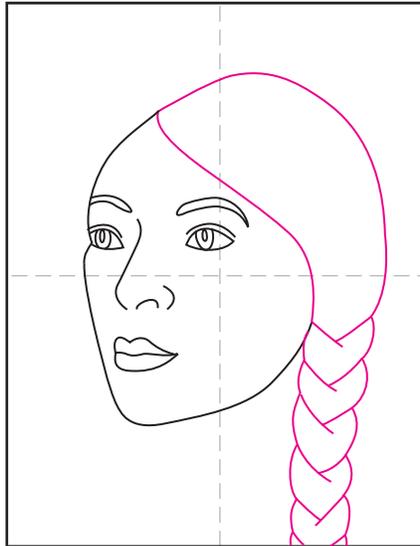

2. Add two eyes on the left side.

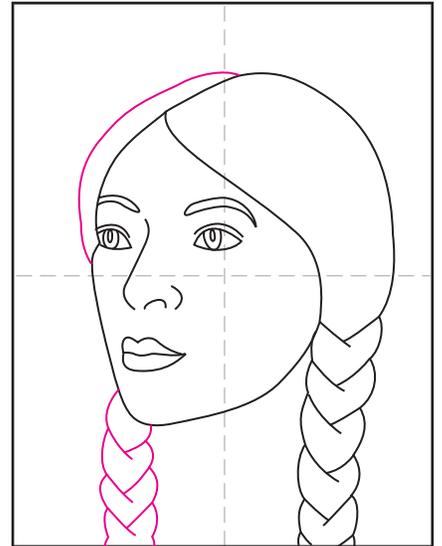

3. Draw the brows above, and the side view of the nose.

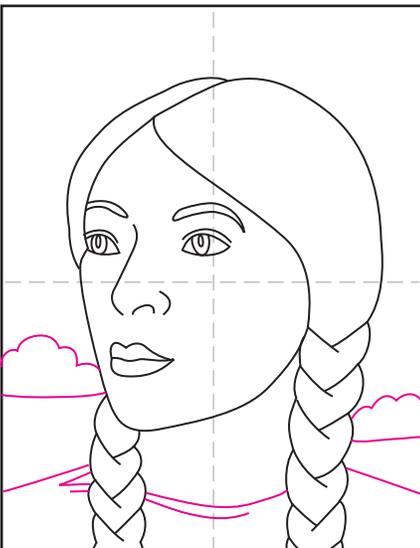

4. Add the mouth below the nose.

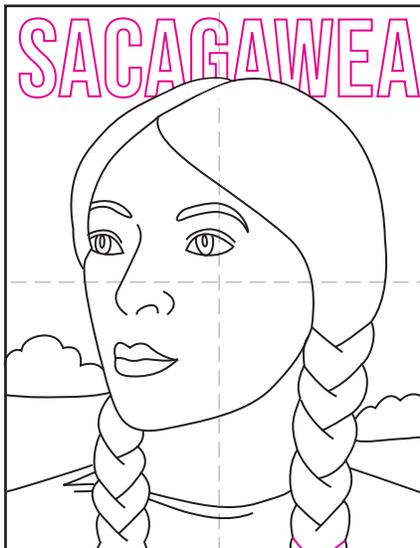

5. Draw the right side of the hair, and the simple braid shape.

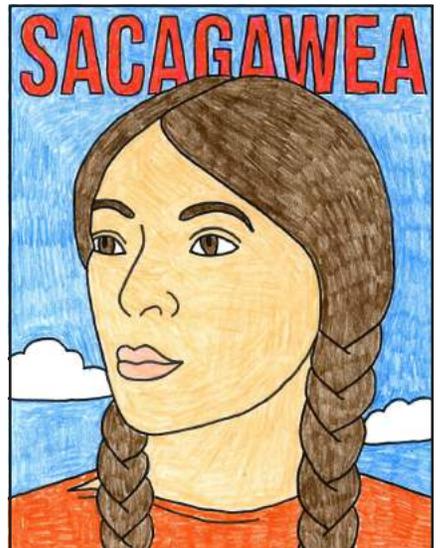

6. Finish with the left side of hair and the left braid.

7. Draw the neckline and some clouds.

8. Add the S-A-C-A-G-A-W-E-A above in block letters.

9. Trace with a marker and color.
