

How to Draw an Ear of Corn

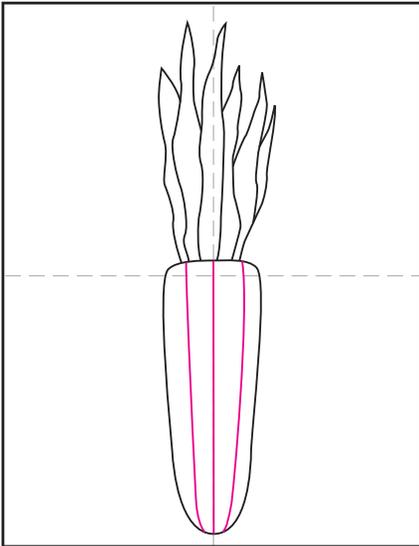

1. Draw the basic cob shape.

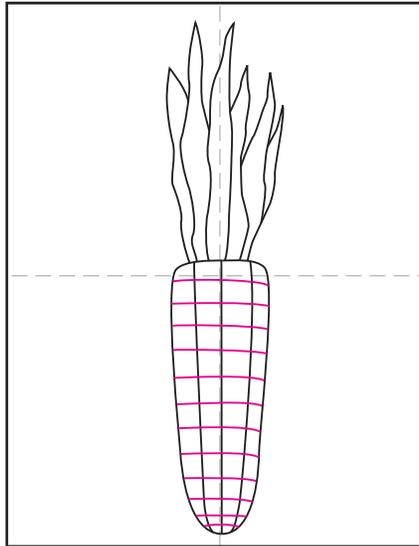

2. Start drawing the husks above.

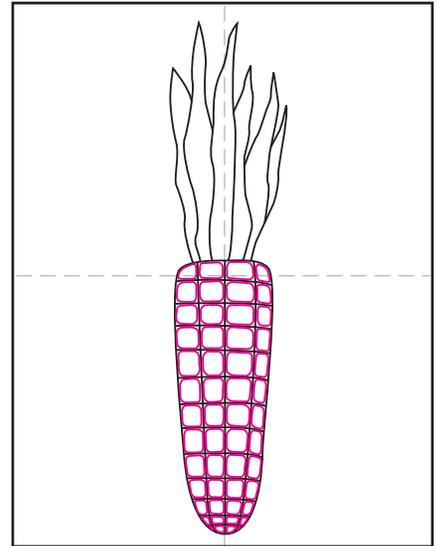

3. Add more husks to layer them.

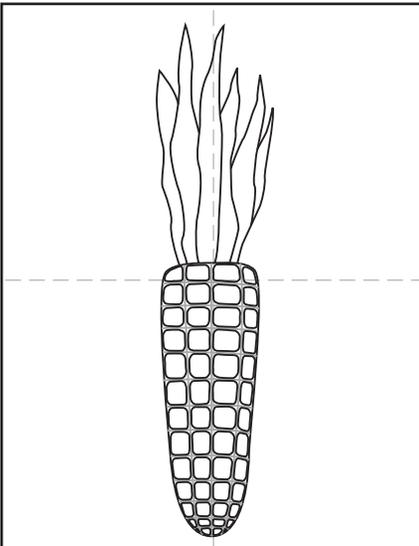

4. Lightly draw three vertical lines.

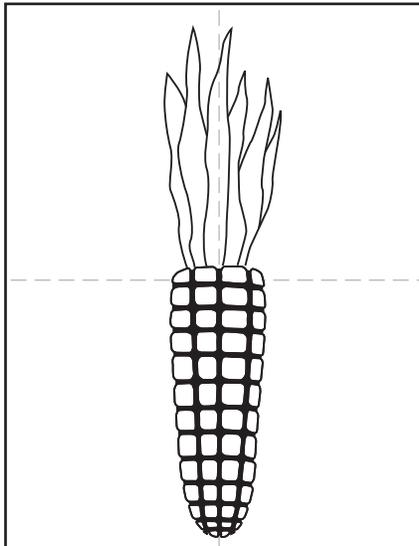

5. Draw horizontal lines to make grid.

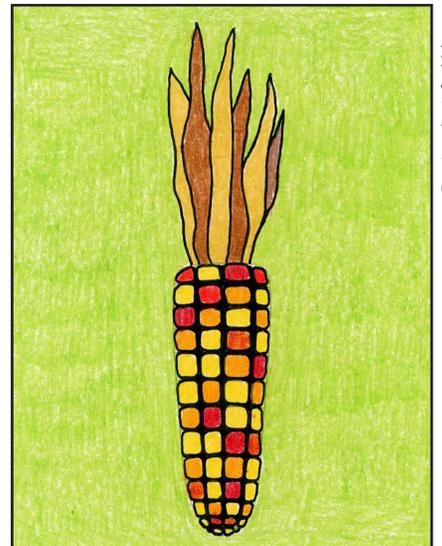

6. Fill with rounded squares.

7. Erase the grid lines.

8. Color the space between kernels.

9. Trace with a marker and color.
