# Paint a Cicada

1. Start with a flat oval head.

2. Add oval body below.

3. Draw front pair of segmented legs.

4. Draw middle pair of segmented legs.
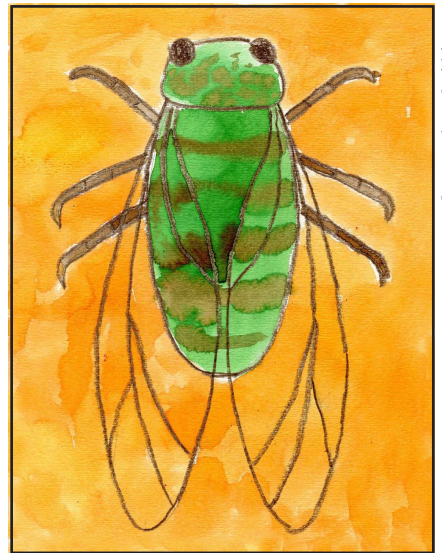

5. Draw back pair of segmented legs.

6. Add two matching wings on top.

7. Draw two matching curves in wings.

8. Add smaller curves in wings and eyes.

9. Trace with a brown crayon and paint.
