

Draw a Truck with a Christmas Tree

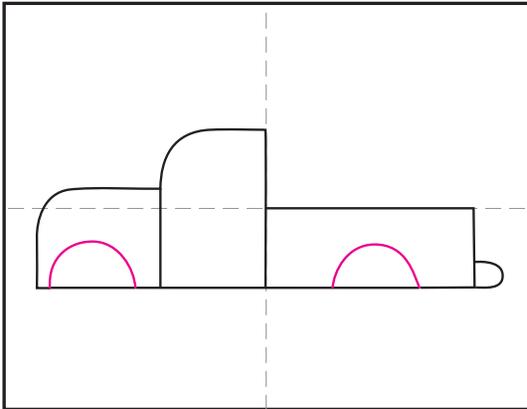

1. Draw the cab shape of the truck.

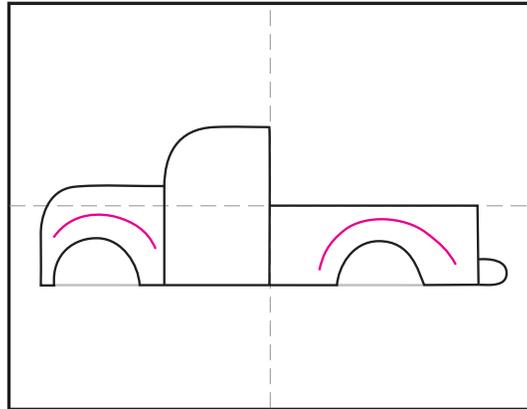

2. Add the front end.

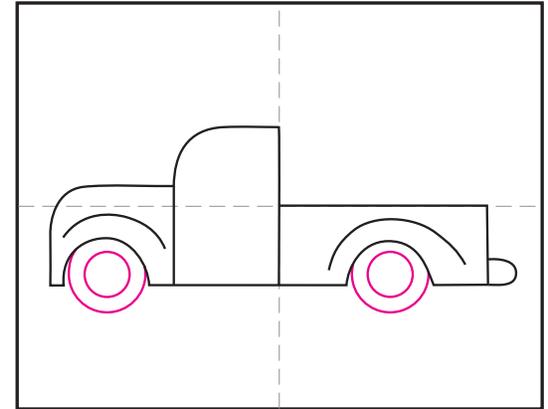

3. Draw the back of the truck.

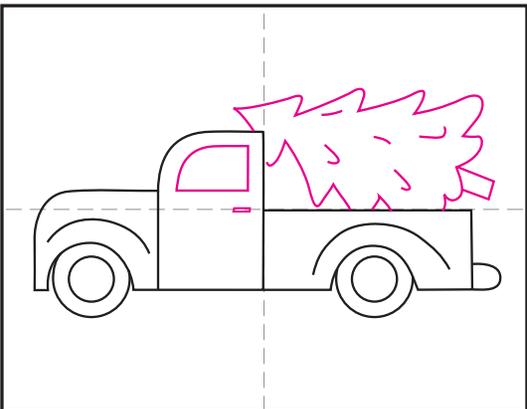

4. Add two half circles for the wheels.

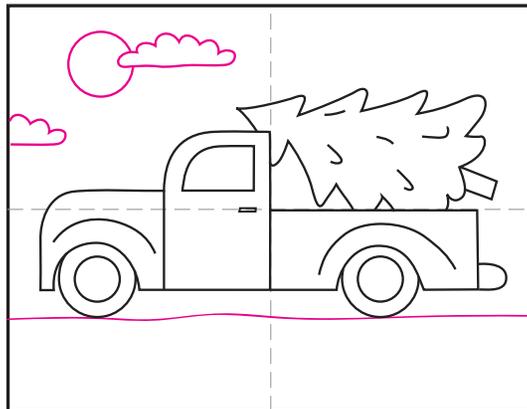

5. Erase the line inside and add detail.

6. Draw the two wheels and rims inside.

7. Add a window, and a tree in the bed of the truck.

8. Finish with a ground line and background.

9. Trace with a marker and color.
